

QUALITY POLICY

Aerotechnic was established in 1994 as a Stockist and Distributor of Aircraft parts and services, as well as Aircraft interior & exterior paints.

We strive to serve our Customers through a total commitment to integrity, service excellence and customer satisfaction.

With the involvement of our people, we are committed to the continuous improvement of our Quality Management System (QMS), to ensure that we meet the requirements of our company, customers and regulatory, to the fullest extent.

João Carlos (JC) Pina
Director / Management Representative
